Key Benefits

■ Peace of mind

You can rest assured that we will deliver a flawless finished job to you ON TIME!

■ Green Cleaning

We endeavour to use only non hazardous substances and every effort is made to obtain products that are ozone friendly and have not been tested on animals.

- We also separate refuse into disposable and recycled. We have made arrangements with local councils for the Environmental Health Department to keep us informed of any changes or amendments.

■ 15 Years Experience

We have 15 years experience working with corporate accounts, public sector departments, construction companies, and all types of small and medium sized businesses.

■ ISO Quality Assurance

We are proud of our services and have been awarded ISO9001-2000 quality assurance certification.

■ £5m Public Liability Insurance

We adhere to our health and safety policy and are fully insured with £5m public liability and £10m employers' liability.

Some of our clients include:
